Student Name _____ Grade _____ School Year _____

Community service hours are unpaid activities that benefit the community and others. Community service is eligible for high school credit to those what are at least 14 years old. Take this form with you each time you volunteer so your time can be verified by a supervising adult. Maximum number of hours allowed per day is eight.

Credit hours can be used toward high school credit OR hours can be listed under transcript community service. It is recommended to track the number of volunteer hours per location. For example: Harvest CC Nursery Volunteer: 36 hours.
